

At Dairy State Bank, our most important priority is the safety of our employees, customers and the communities we serve. As concerns around COVID-19 continue to evolve, we are temporarily closing lobby access at all of our branches. These changes will go into effect at noon Thursday, March 19, 2020. At this time, we have not scheduled a date to resume full branch access. This will be subject to local health concerns at the time.

DRIVE-UP OPEN

We will continue to offer regular drive-up services during office hours. In addition, our night deposit box will remain open.
